HOTSPLOTS  
Cinema

**Great cinema**  
for your passengers

## The best in-vehicle entertainment with HOTSPLOTS Cinema

Using HOTSPLOTS Wi-Fi solutions, passengers are provided with rapid and flexible internet access. Generally speaking, WiFi is now available as standard in vehicles. By selecting the right media services, you will be able to offer your passengers even greater levels of comfort.

Screenshot includes example selection, actual contents may differ.

HOTSPLOTS Cinema is now setting the standard with the latest "Made in Hollywood" feature films and series. Using the mobile Hotspot hardware in combination with the HOTSPLOTS media stick and the HOTSPLOTS App, your passengers can have your entertainment services on their devices. The HOTSPLOTS App specifically guarantees that you are operating these services in line with licensing laws.
